About SRPEC

SRPEC dedicates and commits to achieve, sustain and foster unmatched excellence in technical education. We provide technologically and intellectually inspiring environment of learning creativity and innovation to inculcate the ethical and moral values in young students. As a part of fulfilling our dream, we provide a learning platform to the students to various allied areas during the academics for making them better and competent professionals.

It offers full-time bachelor of engineering programs in the domains like Civil, Mechanical, Computer and Electronics and Communication Engineering. The institute also runs Master of Engineering programs in the areas of Mechanical (Thermal) Engineering and Computer Engineering. It is affiliated to Gujarat Technological University, Ahmedabad and recognized by AICTE, New Delhi.

Chairman

Smt. S R Patel Engineering College and
Smt. S R Patel Charitable Trust

Vision

To become a leading institute committed to shape a bright future for human community by developing effective and socially responsible individual and organization through technical education.

Mission

SRPEC targets the all round development of the students. For fuelling the overall development of our country, it aims to produce worthy and loyal citizens of a great country in addition to good professionals. The institute helps to identify individual's potential, encourages through proper preparation and training to achieve individual's life goals and satisfaction.

Quality Policy

We at Smt. S. R. Patel Engineering College are committed to build a better nation through quality education with team spirit. Our students are enabled to excel in all values of life and become good citizens. We continually improve the system, infrastructure and services to satisfy the students, parents, industry and society.

About Trust

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPCT) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of the students to build their career. The trust organizes various social activities with the noble aim of helping the poor and needy.

"Rameshdada Nu Bhanter" for promoting and uplifting the current primary education.

"JIVIBA NU RASODU". (It is named in the sweet memory of grandmother of honourable Chairman Shri Rameshbhai Patel.) Free of cost tiffin services on daily basis to the old, physically handicapped people and needy children around Maktupur village. More than 12,850 tiffins have been served in a year.

10,000 students of more than 84 schools of B.K. district were generously given the set of 5 note books.

1000 nutritious dry fruit packets of 500gram were donated to the students of Anganvadi, Orphan Houses, Old Age Homes and needy people around the North Gujarat Region. Not only livelihood needs are given prior importance but also imparting quality education and providing better facility to the needy students of nearby region is our prime concern.

We teach computer and basic knowledge of technology to the students of nearby schools of different villages. More than 320 students were benefitted by the noble mission of computer literacy programme at our institute.

It gives me immense pleasure and proud to announce the sixth volume of our college souvenir SRUJAN-2017 which provides panorama of our constant dedication and zealous efforts put to build up the excellence in the realm of education and technology. It's our humble effort to appreciate, motivate and create a valuable opportunity for our committed team of proud stakeholders.

The vision of the institute is to contribute substantially to the process of all round development of noble technocrats by providing quality education with strong ethics and commitment to serve the society with the best and thereby enabling the students to become globally competent. I can boldly say that we have excelled in every initiative that we undertook and we stand together in turning the challenges into opportunities.

SRPEC has always played a vital role of a promoter in organizing various value added activities of curricular and co-curricular programs, workshops, techfest, seminars and expert lectures and continues to develop research and teaching collaborations with the latest trends and technology in order to provide a platform to students and faculties. During the journey of their graduation, our students have shown tremendous talent and innovation in field of education, learning & research and build the institute's recognition.

The number of events taking place at our campus could be a pointer to the capabilities of the young minds and indicate the direction towards excellence. We take this opportunity to invite you to be a partner in our journey to build this Institute and make it a leading innovative centre for the betterment of the individual and society.

I wish the collaborative efforts of my committed team can surely create the strong, novel, and ethical work culture for the welfare of a larger part of society.

With lots of best wishes and warm regards...

A Word from Guardian

આ કોલેજમાં અભ્યાસકીય પ્રવૃત્તિઓની સાથે સ્પોર્ટ્સ કલ્ચરલ, ટેક્નીકલ એવી ઘણી પ્રવૃત્તિઓનું પણ આયોજન કરવામાં આવે છે. અને દરેક વિદ્યાર્થીને તેના કૌશલ્ય અનુસાર સમ્માનીત પણ કરવામાં આવે છે. મને આ કોલેજ પર ખૂબ જ ગર્વ છે.
